

PROJECT EXPERIENCE

REGIONAL COMPREHENSIVE ECONOMIC DEVELOPMENT STRATEGY

Location: Litchfield Hills and Northwestern CT Planning Regions

Project Description:

HMA was the lead consultant on a team that worked with the Litchfield Hills Council of Elected Officials to prepare a Comprehensive Economic Development Strategy that serves as the consolidated economic development policy statement and plan for the Litchfield Hills Region of Connecticut.

The study analyzes the Region’s economic development needs, liabilities, and assets and provides an overarching economic development vision for the Region that is supported by specific goals, strategies, and implementation actions recommended to grow the Region’s economy.
